

ENGINEERING CHALLENGE CUP 2020

Notice Of Race Amendment 01_26-07-2019

The Engineering Challenge Cup 2020 is now open for new skippers

The Regatta is open for Commodores, who are competing the Commodore-cup and eligible skippers and **NEW SKIPPERS**

Charter scope frame agreement

For new skippers, additional information is added as follows:

How it works, if you are new in the ECC?

If you enter the ECC, you can opt for a Medium or a Large size boat. The fleet is selected by the OC. Boat selection will be done by means of a lottery. So if your lot is open, you will be contacted to select your choice from the at that time available boats. Each skipper is responsible for his own charter agreement.

Fees

An entry fee of € 110,- per participant, with a minimum of € 550,- per boat, with any balance being due with the final charter payment. Entry fee is non-refundable.

Deposit for the OC Class flag at local registration € 30,- per boat, in cash.

The entry is open until **August 26, 2019**

To enter the Race, following procedure applies:
