

ENGINEERING CHALLENGE CUP 2021

Bulletin 03, May 10 MESSAGE FROM THE OC

Dear Skippers and Commodores,

Today, May 10th 2020, the first ECC2020 race should have been held. This 1st race is in memory of Jose Miguel Martinez who lost his life on Day 1 of the 2017 event, a special Jose Miguel Martinez Trophy (pictured) will be awarded for the winner of the first race.

Unfortunately the ECC2020 will not take place this year. However, we still think that it is our duty to also remember Jose Miquel Martinez this year and to remind all participants that sailing is potentially dangerous, even for experienced skippers

In many ways it is a special year where we also want to remember all casualties of the COVID-19 virus. Some of us will have close relatives that have been infected. We hope for the best and wish you best of health, recovery and comfort.

With respect to the ECC 2021, we can inform you that all charter contracts have been transferred to next year.

The ECC goes beyond the horizon, but does not disappear, we remain looking forward to a joyful time and request for your understanding and support.

Navigare necesse est,

Pieter Hadjidakis & Eddo Cammeraat
