

ENGINEERING CHALLENGE CUP 2022

PILOT REGATTA DAY 6

Thursday May 13th, SLANO – DUBROVNIK

09.00h - Skippers' briefing Slano will be held in the restaurant Perast, next to the marina reception.

Our arrival destination for the last night is Dubrovnik ACI Marina in Komolac, about 3km from Dubrovnik old town. You will be instructed, on arrival, where to moor. On arrival, the check-out will be arranged by your charter company.

It is a small marina and the charter companies are working on how to accommodate us in the best way possible.

Busses will be waiting at 18.00h to bring you to the Old Town of Dubrovnik for the Prize giving evening / celebration. Disembarkation point in Dubrovnik will be by the Ploce Gate, near the Banje Beach Club (where the prizegiving evening will be held).

Some of you might head to the beach area to enjoy the views before the ceremony will starts, while the others might take this opportunity to have a short walk around the old town.

Dubrovnik is one of the most famous cities in the world, with an incredible history, architecture and culture. A living-in museum. We recommend a walk through the town unless you are staying on for a day or two and will have time to explore it more at your own pace.

Once at the Banje Beach, everyone can relax on the beach, with a welcome drinks before the evening begins.

Skippers - Please bring back your division flag, to get back your cash deposit of Euro 30.

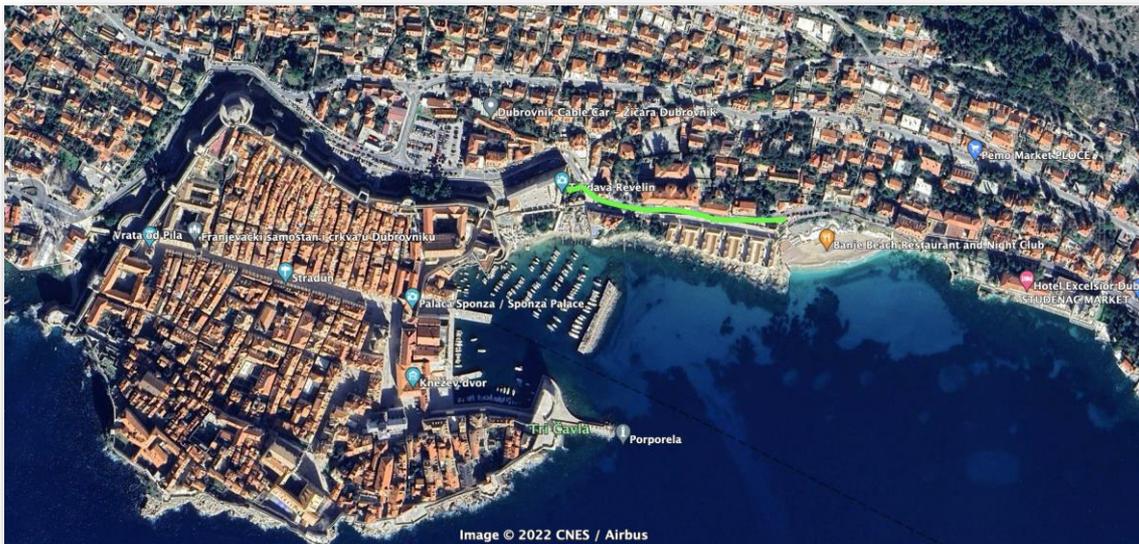

Dinner will start at 19.30h, followed by the prize giving ceremony and more fun time together. Busses for the return journey to the marina will leave at 23.30h. Anyone who wishes to leave earlier or later can take a taxi. Taxi station is next to the Banje Beach Club, by the entrance to the Ploce Gate.
